Mayor's Message

Summer has arrived in our great city! Temperatures are heating up and bringing with them great activities and adventures to be had. One of the great summer activities in Lehi is Foam Day. Held annually on Pioneer Day, July 24, at the Lehi Sports Park (2000 West 700 South), it is a fun time for all. From 11:00-3:00 the park will be filled with games, bounce houses, entertainment, food, and shopping. The Lehi Macey's will be serving free watermelon at 12:00 and our fire-crews will be spraying foam all over from 1:00-3:00. This is a great Lehi tradition and I invite everyone to attend.

While the hot summer months bring plenty of fun, they do bring water concerns as well. During the June 11 council meeting, the Lehi City council voted to implement extraordinary water conservation measures. Lehi residents are now required to regulate their watering according to their home address. Odd numbered homes may water Monday, Wednesday, and Friday. Even numbered homes may water Tuesday, Thursday, and Saturday. All homes may water on Sundays, though Sunday is encouraged to be used strictly for spot watering. Further, no watering may take place between 10:00AM-6:00PM. There are exceptions allowed for lawns planted in the last 90 days and maintenance needs of irrigation systems.

It is also extremely important during this time that culinary (in-house drinking) water not be used for secondary watering purposes such as lawn watering, washing driveways, garden watering, etc.. If you do not have a sprinkler system and are watering by hand, be sure to connect your hose to your secondary water, not culinary water. Spigots coming off of homes are typically culinary not secondary. Using culinary water to water lawns severely decreases Lehi City's availability of drinking water and could put us in an emergency situation and cause water outages in some areas of the city.

During this time, you will still see city areas being watered during the day. This is necessary to keep our system from malfunctioning and to keep our water systems from spilling over when no one else is pulling water from them. Be assured that the city is making changes to cut back on its overall water consumption. I understand the difficulties that these regulations may create, however, we as a city believe this to be the best approach considering everyone's needs and we appreciate your support in helping Lehi to cut back on water use. For more information on this, please see the water conservation notice on page three. If you have any other questions, please call Lehi City at (801)768-7100. - Mayor Bert Wilson

Meet the Candidates

2013 is a municipal election year and this year Lehi City has two open positions on the council and an open Mayor's seat.

There will be a Meet the Candidates Night held on Thursday, July 18 from 6:00—8:00 at the Legacy Center. Join us to learn more about the candidates and their plans for Lehi.

The individuals who have signed up to run for City Council are Kaye Collins, Chris Condie, Paul Hancock, Stephen Holbrook, Cory Maloy, R. Curtis Payne, and Marilyn F. Schiess.

The individuals running for the Mayoral seat are Steven Anderson, Jim Hewitson, Brett A. Mansfield, and Bert Wilson.

Due to the number of candidates a primary election will be held August 13 with the general election on November 5.

Garage Sale Sign Ordinance

As the days heat up and the number of garage sales increase, we remind residents that posting any temporary sign (including garage sale signs) without a temporary sign permit is a class B misdemeanor (Development Code 23.090). In order to keep our streets looking clean, and help resident advertise their sales, Lehi city will now advertise any Lehi based garage sales at www.lehi-ut.gov/residents/garage-sales. Simply, fill out a short form on the site to advertise your sale. Check the site for more information.

Residential Solicitors

It's the time of year when more solicitors will be in our community. All residents are urged to use caution. Each solicitor should be wearing a City-issued ID badge. Ask to see it. Some solicitors only display their company or corporate badge. This is not a City-issued identification badge. If the City badge is not presented, the Police Department recommends you decline to do business and call them at (801) 768-7110.

To prohibit door-to-door sales at your residence, please prominently display a "No Soliciting" sign at the door.

Foam Day

Foam Day is an annual Pioneer Day tradition in Lehi. It will be held this year on Wednesday, July 24 at the Lehi Sports Park, 2000 West 700 South, from 11:00-3:00. The activity schedule is as follows:

11:00-3:00 – Games, wet inflatable toys, entertainment, food, and shopping!

12:00 – Free watermelon from Lehi Maceys

1:00-3:00 – Foam! Make sure to wear your swim suit and bring your goggles!

Water Conservation Notice

Lehi City Council has implemented extraordinary water conservation measures.
What does this mean to you?

Sprinkler irrigation of public and private landscapes is permitted:

Monday, Wednesday, Friday, and Sunday for properties with odd numbered home addresses

Tuesday, Thursday, Saturday and Sunday for properties with even numbered home addresses

Sunday is encouraged for spot watering only

Sprinkler irrigation of public and private landscapes is prohibited:

Between the hours of 10:00 A.M. and 6:00 P.M.

Exceptions:

New lawns that require frequent irrigation for establishment purposes within 90 days of planting

Short cycles required for testing, inspecting, and maintaining irrigation systems

Lehi City may continue to water municipal properties during restricted hours to prevent system spill over

Do not increase water times to compensate for the lost watering day. Thank you!
